

# THANKSGIVING FOOD DRIVE

Due to COVID the TVFD has had to cancel their annual Thanksgiving Community Dinner.

So instead, we are collecting small turkeys, hams and other holiday non-perishable favorites from Nov 10th - 19th in conjunction with the Timberon Community Connection.

Items will be distributed at the Nov 20th Roadrunner.

Our goal is at least 50 turkeys and hams, and as many non-perishable sides as we can put together.

We will be accepting donations at this Friday's Food Pantry & at the Timberon Farmers Market, Saturday Nov. 14, from 2pm - 4pm  
We can also take donations by appointment or arrange a pick up.

Please contact Timberon Community Connection,  
Rachele Tycksen, 987-2713  
Tony or Neenah, 987-2545  
for more information and to make a donation.

Sponsored by Timberon Community Connection,  
Timberon Volunteer Fire Dept.,  
Timberon area businesses and generous  
Timberon Community residents.
